ACCOUNTING

Shondra Johnson,
Graduate Program Director

The Department offers a graduate program leading to the Master of Science in Accounting (MSA) degree. This program is STEM-designated and prepares students for CPA licensure. In addition, the program provides further study and research with a focus on professional careers in the field of accounting.

The MSA program is accredited by the AACSB International: The Association to Advance Collegiate Schools of Business. As such, it provides graduate education that prepares students to meet professional practice challenges in public, private, and not-for-profit accounting. The program is designed to broaden the student's knowledge, to provide for in-depth study, and to complement theoretical study with relevant and significant research.
