

SCIENCE FOR EDUCATORS (SCI)

SCI 501 - Topics in Investigative Science for Educators (3.0 hours)

Laboratory-based biological and physical science. Content developed along interdisciplinary themes. Course taught in an inquiry/investigative format and includes application to Pre K-12 classroom settings. Course may be repeated under different topic. Credit will not be given for SCI 501 students who have obtained credit for SCI 101 under the same theme. Registration is not open to undergraduate or graduate students enrolled in a natural science degree program.

Prerequisite: Concurrent enrollment in ETE 550.
