

COLLEGE OF EDUCATION AND HEALTH SCIENCES

Jeffrey Wanko
Dean

Amy Grugan
Associate Dean

Cara Burritt
Assistant Dean for Finance and Administration

Vision

Lead teaching excellence, innovation, collaboration, and scholarship in an ever-changing society on a national level.

Mission

Prepare ethical, effective leaders and life-long learners within the human service professions to promote the well-being of all humanity.

Core Values

The following core values are the philosophical underpinnings of the College's mission and vision. These values and their inherent actions are integral to the College's overall functioning.

- Development of Leadership
- Commitment to Collaboration
- Promotion of Innovation
- Commitment to Excellence
- Commitment to and Celebration of Diversity and Inclusion
- Promotion of Well-Being

The College offers a variety of graduate degree programs and certificates:
