

MASTER OF SCIENCE IN NURSING (BSN/MSN) - FAMILY NURSE PRACTITIONER (FNP) (ONLINE AND ONE ON- SITE BOOTCAMP)

Department: Nursing (<https://catalog.bradley.edu/graduate/education-health-sciences/nursing/>)

This 50 (BSN entry) semester hour specialty track in the MSN program prepares graduates as family nurse practitioners (FNPs). Students complete a total of 700 hours of clinical practicum in various population-focused and/or specialty areas supervised by qualified preceptors (NTF Criterion). The goal of the program is to prepare graduates for advanced practice nursing with individuals and families throughout the lifespan and across the health continuum. Upon completion of the program, graduates are eligible to write the FNP specialty certification examination administered by the American Academy of Nurse Practitioners (AANP) or American Nurses Credentialing Center (ANCC).

Admissions

1. Applicants must have a BSN degree from a CNEA, ACEN, or CCNE accredited nursing program.
2. Proof of a current unencumbered nursing license.
3. A nursing grade point average of 3.0 based on a 4.0 scale.

*Applicants with deficiencies in the requirements will be evaluated on an individual basis.

BSN Entry - 50 Semester Hours

Code	Title	Hours
