DIVISION OF STUDENT AFFAIRS

The Division of Student Affairs' mission is to connect and prepare students through co-curricular learning and extracurricular engagement to foster student success. Alongside our commitment to students, we embrace collaboration with our university and community partners.

We foster a commitment to the University's core values of student success, knowledge and discovery, inclusiveness and connectivity, and excellence. The environment shaped by Student Affairs provides opportunities for the intentional development of the whole student, encompassing experiences beyond the classroom and addressing the complexity of the myriad environments they may face. Our goal is to ensure an enriched environment for learning, personal growth, and positive outcomes for our students.
