## Payment Options and Due Dates

Payment arrangements are required to be completed prior to the start of each academic term. Families can either pay the full balance or enroll in the Installment Payment Plan, which requires a minimum 20 percent payment of the semester balance. The deadline for either option is August 5, 2024 for the Fall semester and January 3, 2025 for the Spring semester.

Due to the shorter period, the Summer term is compressed to three installments for the payment plan. The first payment of at least one-third of the balance is due May 1, 2025.

## Accepted Forms of Payment

Payments for all charges on the billing account (tuition, fees, room and board) can be made by cash or check in person at Swords Hall-First Floor. Payments can be made via checks mailed to:

### Office of the Bursar

Bradley University Financial Services Office  
100 Swords Hall  
Peoria, IL 61625

Payments can be made online by credit card. **A 2.95% fee is assessed on credit card transactions** when using VISA, MasterCard, Discover, and American Express for tuition and fees. The University cannot accept credit card payments over the telephone. Payments can be made by ACH debit from checking or savings accounts and have a \$.50 service fee.

- Select your home country and the available payment options will be displayed.
- Complete the information requested and follow the instructions that are provided.

Here are some guidelines and policies on determining your payment amount:

- Review your bill at MyBradley.edu (<https://mybradley.bradley.edu/MyBradley/Home/?bunetid=lmbradley1&timestamp=1755705013326&token=iUMzxAH4noVPnnqZZ%2FjasZguXi9Ez7oXamhaWFAdbi79RD0%3D>). Use the amount on the bill to request funds from your bank.
- Online / Distance students can review their bill with their MyOnline Account (<https://myonline.bradley.edu/>)
- The funds sent through this process are for tuition, fees, and room and board charges billed by Bradley University. Funds received will be used for current, past due and future terms.
- Do not request funds through this process for off-campus living expenses. You will need to make arrangements to have these funds come directly to you. Excess funds may be returned to Flywire.
- If you have not registered for classes for the coming term, you may estimate the amount needed by taking the current tuition rate times the number of hours you plan to register for. Be sure to include extra for course fees, surcharge fees, activity fee and health fee. The University fee structure is online at [sfs.bradley.edu](https://www.bradley.edu/admissions/financial-aid/financial/) (<https://www.bradley.edu/admissions/financial-aid/financial/>) – click on “Charges and Payment Options”.
- If your bank has questions about this process, you may provide them with 3rd party access to your billing by setting them up with a log in to view your bills. Instructions for this process is also at [sfs.bradley.edu](https://www.bradley.edu/admissions/financial-aid/financial/) (<https://www.bradley.edu/admissions/financial-aid/financial/>), click on “Charges and Payment Options” and then “Online Viewing and Payment”.

## Payment Options

For the fall and spring semesters, two payment options are available.

### Option 1: Pay in Full

The most economical option, the Pay In Full plan requires the entire semester balance charges, less financial assistance to be paid in full on or before the due date for that semester: August 6, 2025 for the fall semester and January 6, 2026 for the spring semester. If the balance for the semester is paid in full prior to the first day of the term, no additional fees are charged unless changes are made to the student's schedule or financial aid.

### Option 2: Installment Payment Plan

This plan divides each semesters' balance into five installments. Payment is determined by taking semester charges, subtracting semester financial assistance (not including work study), and dividing the balance by 5 and adding a one-time \$30 enrollment fee. The first payment must be a minimum of 20% of the semester balance and is required by either the Aug. 6, 2025 or Jan. 6, 2026 deadline for the respective term. A one-time finance charge of 4% will be applied to the remaining balance on the first day of the term. Remaining fall payments are due on the 15th of the month in September, October, November, and December; spring payments in February, March, April, and May. You must enroll in the installment payment plan each semester. Once enrolled in the Installment Payment Plan all payments must be made online.

- August 6, 2025
- September 15, 2025

#### Spring 2026 Payment Due Dates

### Claiming Classes

For every period of enrollment students must confirm their intentions to matriculate by taking an action called "Claiming Classes". Classes are claimed in one of two ways: By making a payment on the balance due for each period of enrollment or, if there is no balance due (zero balance or pending refund), by completing the steps outlined on your MyBradley (<https://mybradley.bradley.edu/MyBradley/Home/?bunetid=lmbradley1&timestamp=1753719280842&token=Dz00giN2KIIDflqdouwmz1SEiX9CYX6inY0ilneB+1QwQJAHVhZ9nHQMY4%3D>) or MyOnline (<https://myonline.bradley.edu/>) account.

In accordance with the Veterans Benefits and Transition Act of 2018 Section 103, effective August 1, 2019, Bradley University will not impose any penalty, including the assessment of late fees, the denial of access to classes, libraries, or other institutional facilities, or the requirement that a covered individual borrow additional funds, on any covered individual because of the individual's inability to meet his or her financial obligations to the university due to the delayed disbursement of a payment to be provided by the Secretary of Veterans Affairs under chapter 31 or 33 of this title.

For purposes of this policy, a covered individual is any individual who is entitled to educational assistance under chapter 31 or 33 funding through the federal government. The covered individual must notify the institution
