Music Degree Requirements

1. All full-time music majors and minors must successfully complete Recital Lab (MUS 001 Recital Laboratory) each semester of residence. Each student is expected to perform on this lab at least once a semester or as determined by the applied music teacher.
2. All full-time music majors must participate in an assigned concert band, choir, or orchestra. String players may audition and perform with the Peoria Symphony Orchestra or the Knox-Galesburg Symphony but must continue to perform in the Bradley Symphony Orchestra.
3. All music majors should declare a major instrument or voice by the end of the fourth semester. A music minor must declare at the time of audition.
4. All music students must maintain a cumulative G.P.A. of 2.5 in music courses during the first two years in order to achieve advanced standing. Junior-senior credit in the major applied area can be earned only after a student has achieved advanced standing. Music majors with additional majors may not be allowed to apply these courses as junior/senior hours. Students should consult with their advisor(s).
5. A sophomore review will be held during the spring semester of each student's sophomore year. At the beginning of the spring semester, each sophomore music major will be scheduled for a meeting with his or her advisor, the department chair, and other faculty members as required (e.g., private instructor, ensemble coach) for a review of the student's progress up to that time. The purpose of the review is to address any deficiencies that might impede the student's continued progress in his or her chosen field. Students will also have an opportunity to pose questions relevant to their academic programs at Bradley and their intended goals.

Teacher Licensure

The music education program leads to a K-12 special license that authorizes the holder to teach all aspects of music in grades K-12. Music students desiring to teach in the public schools must complete the

BM degree with a major in Music Education and the requirements for teacher licensure. Students will be assigned an advisor in Music and in the Department of Education. Regular consultation with both advisors is extremely important.
