

BACHELOR OF SCIENCE/ MASTER OF SCIENCE IN BIOLOGY (BS/MS 4+1 PROGRAM)

The Department of Biology offers an integrated Bachelor's (BS) and Master of Science (MS) degree in Biology, which allows undergraduates to complete their bachelor's degree, transfer seamlessly to the master's degree, and finish both programs in five years. See the Bradley University Graduate Catalog (<https://catalog.bradley.edu/graduate/programs/bachelor-sciencemaster-science-biology-bsms-41-program/>) for more information.
