

# ENTREPRENEURIAL SCHOLAR DESIGNATION

---

Department: Turner School of Entrepreneurship and Innovation (<https://catalog.bradley.edu/undergraduate/entrepreneurship-innovation/>)

The interdisciplinary Entrepreneurial Scholar program engages students of any major to elevate their ability to discover, evaluate, and pursue opportunities with a focus on experiential activities. Students who complete this program will earn the Entrepreneurial Scholar designation on their transcript, signaling to potential employers that they possess innovation skills and an entrepreneurial mindset. Entrepreneurial Scholars will be prepared to pursue growth opportunities in any type of organization, whether a commercial start-up, a nonprofit organization, or a social enterprise.

Entrepreneurial Scholars develop competencies through coursework and experiential activities, including, but not limited to the Turner School's co-curricular activities and community engagements throughout their time at Bradley.

## Program Requirements

- ENT 280 Entrepreneurial Creativity (3 hours)
- Approved electives (6 hours)
- 12 entrepreneurial activity points
